New Six Step Method of joining our lodge:

The following is some of the information that we will be using on bringing in new candidates.

On behalf of the Pahrump Masonic Lodge #54, thank you for your interest in Masonry. Becoming a Mason is a serious and, potentially, life changing decision. It is not one you should take lightly and will require substantial commitment on your part. However, the rewards of being a Mason can be significant. This is not measured in material wealth, for the Lodge doesn't offer business opportunities or other material gain, but a system of continual improvement, community involvement, self-discovery and camaraderie with like-minded men.

Historically, men became Freemasons through family or close friends who belonged to the Lodge. This connection ensured that members of good standing in the Lodge knew the character and background of the potential candidate for membership. However, today most men approach Masonry through casual connections (Internet, calling the Lodge, etc.) after their interest has been kindled by reading books and/or seeing videos about the Lodge. Because of this, the Pahrump Masonic Lodge #54 has developed this plan of six steps that will allow the candidate to know if the Lodge is right for them and the Lodge to know if they are a good candidate to potentially be raised to the highest degree in Craft Masonry: Master Mason.

The six steps are:

Step one - Brief interview/discussion

Step two - In-depth interview/Discussion

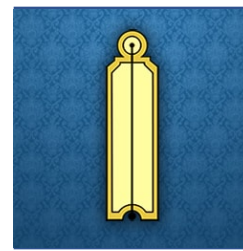

Step three - The follow up meeting

Step four - The social meeting

Step five - ongoing social events

Step six - Asking for a petition

The idea of this is to let them get to know us and let us to get to know them. In the past, we have had candidates up for vote that most of the lodge has never even met before.

From the South

Brethren,

I would like to thank all the brothers who have attended the meetings this year and invite you to a meeting with dinner at 6:30 Meeting at 7:30. On November 11th, 2021.

Don't forget that we may not make a difference in everyone's life. But if we can make a difference in just one person's life. It will be worth it. Till next month be safe and keep the faith.

Brother Mike Cappa

Junior Warden

Fun Masonic Facts

1. Between 1890 (when it became a state) and 1951, every Governor of Wyoming, except one, **was a Mason**. The one, Mrs. William A. Ross, was the wife of a mason and a member of Eastern Star (a female freemason's fraternity).

2. Astronaut Buzz Aldrin, was a brother of Clear Lake Lodge No1417 in Texas. He was also the lunar module pilot on Apollo 11, the first lunar landing in history. When he stepped on the moon, he had with him a special dispensation from his Grand Master to claim the moon as being the territorial jurisdiction of the Grand Lodge of Texas.
