From the East

Bretheren,

Thankfully we got running again this month and was able to have our Stated Communication.

Our Stated Communication this month is on Thursday April 14th and there are candidates in waiting and Brethren to pass.

We have set up the 4th Thursday of each month as a practice/degree day. We will always meet on the 4th Thursday and either do a degree if we have one or meet to practice. Dinner will be at 6pm and practice starting at 6:30pm.

We will most likely have a 1st degree on April 28th. We would love to see as many Brothers as possible come and support the new Candidate if we have this degree.

Come and participate and enjoy in our Brotherhood.

You are missed!

W.B. Tom O'Boyle
Worshipful Master

From the West

Brethren,

This month I would like to share the following:

What is Masonry?

It's not a sign or handshake, a hall where tilers sit,
It's not a guarded building, where passwords will admit,
It's not a place of symbols, which Wardens oft display,
It's not a lodge of members, who meet in white array.
It is the home of justice, of liberty and truth,
Of loyalty to country, of sympathy for youth,
Of succor for a brother, of gentleness and cheer,
Of tolerance for neighbors, whose life is often drear.

From the Secretary

Brethren,

I hope everyone is doing well and staying healthy. We sent dues cards to everyone that has paid their dues. If you have not paid dues yet, please send it in. If you have any questions, send me an email.

From the Treasurer

Brethren,

Would just like to report that we are doing fine with our funds thanks to prompt dues payments to the secretary and other donations. Books are reconciled to the penny, and I can prove it.

Bro. Ed Underhill
Treasurer

Great homemade food, pies and friendly service. Let Mom cook for you and we'll do the dishes.

"The real Freemason is distinguished from the rest of mankind by the uniform unrestrained rectitude of his conduct. Other men are honest in the fear of the punishment which the law might inflict; they are religious in expectation of being rewarded, or in dread of the devil, in the next world. A Freemason would be just if there were no laws, human or divine, except those which are written in his heart by the finger of his Creator. In every climate, under every system of religion, he is the same. He kneels before the universal throne of God, in gratitude for the blessings he has received, and in humble solicitation for his future protection. He venerates the good men of all religions. He disturbs not the religion of others. He restrains his passions, because they cannot be indulged without injuring his neighbor or himself. He gives no offense, because he does not choose to be offended. He contracts no debts which he is not certain that he can discharge, because he is honest upon principle."

From the South

Brethren,

It looks like we might have a busy month. Please support all the brothers that are preparing ritual.

I will be unavailable until just before our next stated meeting. Please support out officers in keeping the lodge running. We are always in need of some kind of help and anything that you are able to help with is appreciated. I am looking forward to hitting the ground running on my return.

Brother Pat Selvy
Junior Warden

Fun Masonic Facts

1. Masonic symbols are usually regarded as existing because of the fraternity's secrecy. However, in reality, Freemasonry started being illustrated by symbols because at the very beginning most Freemasons could not read, so the symbols served to remind members of the fraternity's teachings.
2. At the time it was built in 1892 the Masonic Temple in Chicago, Illinois, was the world's tallest building. It was twenty-two stories high.
3. During the American civil war enemy soldiers who recognized each other as Freemasons helped each other and saved each other's lives. Even during war these Freemasons' loyalty to the craft did not fade.
4. In 1860 in Limerick, Ireland, there as found a stone in a small chapel, dated 1517, with the following inscription: "I will serve to live with love & care, upon the level, and by the square."
