From the East

My Brothers,

As we move into the month of December, we are about to conclude a successful 2025 for our Lodge.

What a wonderful year we had together, my Brothers! From very productive Stated Meetings, successful Degree nights with outstanding ritual performances and unique educational presentations, all the way to achieving the Silver State Award. Thank you and congratulations to our entire Lodge for all these accomplishments!

I thank you again for entrusting me with the highest honor that one can achieve in a blue lodge, in Our Lodge, to serve as Worshipful Master. I will be forever grateful to you for what I've learned and experienced while serving our Lodge.

Wishing you and your loved ones a harmonious and joyous December.

Happy Holidays!

*Fraternally from the East,
Vasile Cristian Gliga, WM*

From the West

Brethren,

As we reach the close of another Masonic year, December invites us to pause, reflect, and look ahead with renewed purpose. This season reminds us of the warmth of Brotherhood, the light we bring into our community, and the shared labors that have strengthened Pahrump Lodge No. 54 throughout 2025.

December is always a meaningful month in Masonry—filled with fellowship, gratitude, and the steady transition of leadership. It is a time when we come together not only to celebrate the year behind us, but to set our sights on the path before us.

I encourage every Brother to come out and support our December Stated Meeting. Your presence is deeply important. We have significant business to attend to, and we will also be conducting the election of officers for the 2026 Masonic year. The success of our Lodge depends on engaged and active members, and I humbly ask that you make every effort to attend and lend your voice to this important work.

Looking ahead, please mark your calendars:

Installation of Officers

*Sunday, December 14th at 2:00 PM
Pahrump Lodge No. 54*

Following the Installation ceremony, we invite you, your family, and visiting friends to join us for a smoked brisket dinner in celebration of our incoming officers. This will be a wonderful afternoon of fellowship and unity as we prepare to embark on a new year of light and labor.

As I reflect on my own journey this year as your Senior Warden, I am grateful for the trust, support, and encouragement each of you has shown. May the closing days of 2025 remind us of the blessings of Brotherhood, and may the coming year bring renewed energy to our Lodge and its mission.

Wishing you and your families a joyful holiday season, filled with peace, reflection, and warm Masonic fellowship.

*Fraternally,
Bro. William Cookston, Senior Warden*

From the South

Brethren,

As we move into December, I want to take a moment to reflect on what has been a rewarding year serving as your Junior Warden. It has been an honor to support our Lodge, our officers, and each of you in ensuring our gatherings remain meaningful, respectful, and true to our Masonic values.

This month also marks my final stretch in this role, as our annual elections approach. Leadership transitions are an important part of keeping our Lodge strong, and I encourage all members to participate and make their voices heard. Should you choose to place your confidence in me for the role of Senior Warden, know that I am committed to continuing the steady work, dedication, and accountability this office deserves. I take our responsibilities seriously and will strive to serve with integrity, fairness, and consistency.

As we close out the year, I wish each of you and your families a warm and safe Thanksgiving and a Merry Christmas. May this season be filled with peace, good health, and time well spent with those who matter most.

Thank you for allowing me the privilege to serve.

*Fraternally,
Britton Heller J.W.*

Past Masters Word

Reflections from the Past Master's Chair

As we close out 2025, I want to take a moment to reflect on the year we've had together. December naturally brings a sense of gratitude and perspective, and looking back, there's a lot this lodge can be proud of. We've strengthened bonds, supported one another, and kept our light bright — even when the calendar was busy and life pulled us in every direction.

Last month, we attended the annual Grand Lodge Session, where many important decisions were made for Nevada Masonry. A major highlight was seeing our own Brother Greg Curtin elected Right Worshipful Junior Grand Warden. It was a proud moment not only for Greg, but for all of us who have watched his commitment and steady service pay off.

December also brings our Officer Elections and our Installation of Officers. This year, we are honored to have both the Grand Master and Deputy Grand Master joining us — and since we now have a Junior Grand Warden in the lodge, we expect him to join us as well. After all, if the Grand Master and Deputy Grand Master can make the time... well, let's just say we know the JGW can too.

Throughout 2025, several of us traveled on behalf of Pahrump #54 — not only Greg and I, but multiple Brothers who stepped up and made the effort to represent our lodge well. We visited the Grand Lodge of California, attended Mason on the Mountain in Virginia City, and participated in the overnight GMOV events in Tonopah and Goldfield. Each of these trips gave us new connections, new stories, and new appreciation for the friendships that exist far beyond our own lodge room. Those travels reaffirmed a truth we all know well: there are no strangers in Freemasonry, only friends you haven't met yet.

As we look toward 2026, I hope to see our attendance grow, our participation deepen, and our ritual continue to unite us. Good ritual work doesn't just open or close a meeting — it brings the lodge together. It builds pride, confidence, and connection. And more importantly, it creates an atmosphere where every Brother feels welcome, valued, and part of something greater.

Let's make next year the one where more of us show up — not out of obligation, but because we genuinely want to spend time together. Let's travel more, laugh more, learn more, and strengthen the friendships that are the foundation of our fraternity. Let's be the lodge where new Brothers feel at home right away and where longtime Brothers continue to find joy in the Craft.

Thank you all for the support, the conversations, the work, and the friendship throughout this year. I look forward to seeing what we build together in 2026.

*Fraternally,
Jeremy Turek, PM*

From the Secretary

Brethren,

As we enter the month of December, we stand at the threshold of another year completed in the life of Pahrump Lodge No. 54. The final weeks of the year always carry a unique spirit—an opportunity to pause, reflect upon our collective labors, and take stock of the blessings we have shared as Brothers.

This has been a year filled with meaningful work: degrees conferred, candidates instructed, visitors welcomed, and friendships strengthened through many moments of fellowship. Through every challenge and accomplishment, the steady dedication of our officers and members has kept the Lodge moving forward with purpose and unity.

December is also a month of transition and preparation. As we ready ourselves to elect and install our officers for the coming year, I encourage each of you to take part in this important Masonic duty. Your presence, your vote, and your support help ensure a smooth and successful start to the new Masonic year.

*This month, **dues notices will be going out**, and I ask each Brother to please watch for them and respond in a timely manner. Your dues are an essential part of keeping our Lodge financially sound and able to continue its charitable works, community outreach, and regular operations without interruption. If any Brother is facing difficulty, please reach out—no Mason should ever feel alone when facing life's burdens.*

During this season of light, may we keep in our thoughts those who cannot be with us, whether due to travel, health, or the challenges of daily life. A call, a visit, or even a brief message can make a tremendous difference and carry forward the true spirit of Masonic charity.

As we close out the year, let us look forward to the coming days with hope, harmony, and renewed dedication to the principles that define our Fraternity. May this holiday season bring peace to your homes, warmth to your hearts, and inspiration for the year to come.

*R.W. Gregory F. Curtin P.M.
Secretary
Junior Grand Warden*

From the Treasurer

Brethren,

As we enter December—the final month of our Masonic year—we find ourselves reflecting on all that has been accomplished and all that still lies ahead. The close of the year is always a meaningful time for the Treasurer's office, as it marks the period when we finalize our accounts, prepare our annual financial reports, and ensure the Lodge is positioned on firm ground for the coming year.

I want to express my sincere appreciation to the many Brothers who have remained diligent in fulfilling their financial obligations throughout the year. Your dues, donations, and support are not simply transactions—they are a testament to your commitment to the welfare and future of Pahrump Lodge No. 54. Because of your dedication, our Lodge is able to meet its responsibilities, support our charitable efforts, and maintain a stable foundation upon which next year's officers can confidently begin their work.

*December is also the month when **dues notices for the new year** are sent out. I kindly ask each Brother to watch for them and respond promptly. Timely payment ensures that we begin the next Masonic year without financial strain and allows us to continue the many good works that define who we are as Masons. If any Brother is facing financial hardship, please do not hesitate to reach out—assistance and understanding are cornerstones of our obligations to one another.*

During this season of light and generosity, let us remember that the true strength of a Lodge is measured not only by its accounts, but by the character and unity of its members. When we manage our resources with prudence and purpose, we honor the trust placed in us and uphold the values that have guided our Craft for centuries.

May the peace and goodwill of this holiday season rest warmly upon you and your families, and may the coming year bring renewed prosperity, harmony, and fraternal joy.

*W.B. Cameron McRae H.P.M.
Treasurer*

“No Brother Should Make the Final Journey Alone”

My Brothers,

I need to speak from the heart tonight, because I am disappointed — not in our principles, but in how we’ve lived them lately.

Within the past month, one of our Brothers was called to the Celestial Lodge above. A man who once stood among us, took the same obligations, and shared in our labors as an equal on the Level. Yet when the time came to lay him to rest — to offer that final tribute of respect and Brotherly Love — far too few of us were present.

The Masonic funeral is not an optional event or a matter of convenience; it is one of the most sacred duties we owe as Masons. It is the visible sign that our Brotherhood endures beyond the grave — that when we say “We meet upon the Level and part upon the Square,” we mean it until the very end.

Our presence at a Brother’s funeral isn’t for appearance. It’s a testament — to his family, to his community, and to our own conscience — that his life and labor among us were not forgotten. When we fail to stand together in that hour, we fail not only the Brother we’ve lost, but the very principles we swore to uphold.

The true strength of a Lodge isn’t found in how many gather at a degree or dinner, but in how many stand silently at a graveside in respect and love. One day, it will be our turn to cross that threshold — and may there be enough faithful Brethren to honor us when that day comes.

Let this past month be a reminder of our obligations — and let us resolve that never again will one of our Brothers make that final journey alone.

So mote it be.

R.W. Gregory Curtin P.M.

Pahrump Lodge No. 54 at the 161st Annual Communication of the Grand Lodge of Nevada

Brethren,

It is with deep pride and fraternal enthusiasm that we report on the 161st Annual Communication of the Grand Lodge of Free and Accepted Masons of Nevada, held this November in Reno, Nevada. Pahrump Lodge No. 54 was well represented, with several of our members traveling to Reno to participate in this important gathering of Nevada Masonry.

The Communication began on Sunday evening with a welcoming dinner, allowing Brethren from across the jurisdiction—and beyond—to come together in fellowship before two full days of business in open Grand Lodge. This year's session marked the close of a successful term for Most Worshipful Zacaria Gullings, who completed his year as Grand Master with dignity, wisdom, and a steadfast commitment to the Craft.

Throughout Monday and Tuesday, the Grand Lodge undertook its annual labors, addressing legislation, committee reports, financial matters, and the continued welfare of Nevada Masonry. By the end of the Communication, new leadership was elected to guide our fraternity forward.

We congratulate the newly elected Grand Lodge Officers:

- *M.W. David E. Bechtel — Grand Master*
- *R.W. Charles J. Barone — Deputy Grand Master*
- *R.W. Joseph E. Dini III — Senior Grand Warden*
- *R.W. Gregory F. Curtin — Junior Grand Warden*
- *V.W. Michael P. Aurnague — Grand Treasurer*
- *V.W. David O. Martinez — Grand Secretary*
- *V.W. Stephen V. Robison Jr. — Grand Lecturer*

The installation of these officers marked the beginning of a new chapter for our Grand Lodge and set the tone for another productive Masonic year.

Honors Bestowed Upon the Brethren of Pahrump Lodge No. 54

It is with great pride and fraternal joy that we share wonderful news from this year's Communication.

Election of R.W. Gregory F. Curtin, P.M.

Our own Worshipful Brother Gregory F. Curtin, P.M. was elected Junior Grand Warden, and now holds the proud title of Right Worshipful Gregory F. Curtin, P.M.

This distinguished honor stands as a testament to his unwavering dedication, Masonic knowledge, and tireless service to the Craft. His advancement within the Grand Lodge line is a significant achievement—not only for him personally, but for Pahrump Lodge No. 54, which continues to be recognized throughout the state for producing capable, dedicated leaders.

Grand Lodge Appointments from Pahrump Lodge

We are also pleased to announce several Grand Lodge appointments received by members of our Lodge:

- Worshipful Brother Brian Boles, P.M. — Grand Trustee*
- Worshipful Brother Dwaine Rittenhouse — Grand Trustee*
- Worshipful Brother Robin “Montana” Williams, P.M. — Grand Steward*

Each of these esteemed Brethren has demonstrated exceptional commitment to Brotherly Love, Relief, and Truth. Their appointments reflect the high esteem in which the members of Pahrump Lodge are held throughout Nevada Masonry. Their leadership, integrity, and service continue to elevate our Lodge and strengthen the foundation of our fraternity.

A Lodge Honored and Inspired

Pahrump Lodge No. 54 is deeply honored to count such dedicated men among our ranks. Their election and appointments stand as a shining example of what devoted labor and upright conduct can achieve in the eyes of our Brethren statewide.

May the Great Architect of the Universe guide and protect them in their new roles, and may their service bring continued honor to our Lodge, our community, and the Grand Lodge of Nevada.

Brotherhood Among the Dunes: Pahrump Lodge No. 54 Family Trip to Dumont Dunes

*As the autumn winds carried the spirit of fellowship into the valley, the Brethren and families of Pahrump Lodge No. 54 once again proved that our bonds extend far beyond the tiled Lodge room. Over the Halloween weekend, a convoy of RVs, side-by-sides, and smiling faces gathered at **Dumont Dunes** for what became a memorable celebration of friendship, family, and fraternal unity beneath the vast Nevada sky.*

The first of our group—five RVs strong—arrived early on Wednesday to stake our claim in the sand and set the tone for the weekend. By Thursday and Friday, our numbers had grown to nearly ten RVs filled with Brothers, families, and friends ready to embrace the fun and fellowship that mark every Pahrump 54 gathering. The desert was alive with energy—an estimated 40,000 to 50,000 visitors joined in the Halloween festivities, making for a bustling weekend of laughter and light.

Our Brethren and families took to the dunes in their side-by-sides, carving smooth trails across the rolling sands while sharing stories and camaraderie around the campfire each night. Though the crowds brought a few unfortunate incidents—five or six life-flights were reported on Friday—we were blessed that all of our own returned safely, a reminder to be ever-grateful for protection from above.

*Saturday brought a highlight of the weekend: **the Trunk-or-Treat event**, where our Lodge family proudly represented the **Zelzah Shrine** and Masonic community. We showcased the Shrine's six-wheel parade vehicle alongside **Cameron's beloved "Fliver Car."** Hundreds of*

children and families came by for candy, smiles, and photographs with the cars—a joyful outreach that reminded us of Masonry's purpose beyond the Lodge: to spread goodwill, joy, and light in the community.

Family Trip to Dumont Dunes

Continued from previous page

As the sun set over the golden dunes and the campfires flickered to life, one could not help but reflect on how such simple gatherings embody the essence of Masonry. In the laughter of our children, the warmth of friendship, and the unity of our families, we find the same light that guides us within the Lodge.

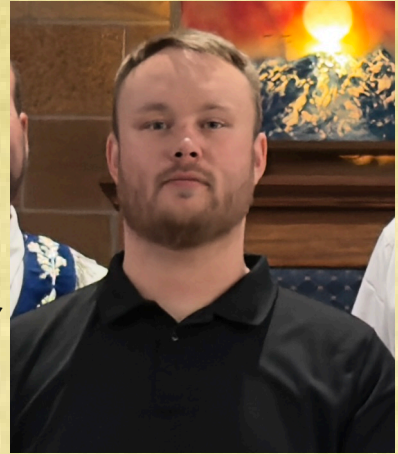

It was, indeed, a fantastic weekend—one filled with adventure, brotherly love, and lasting memories. Pahrump Lodge No. 54 continues to show that Masonry is not confined to ritual and regalia but lives in the bonds we share—whether under a starry desert sky or within the walls of our sacred Lodge.

A Milestone in Masonry:

Brother Cody Cunningham's Master Mason Proficiency

*On the evening of **October 28th**, the Brethren of **Pahrump Lodge No. 54, F.&A.M.**, gathered in due and ancient form, opening the Lodge upon the **Sublime Degree of Master Mason**. It was an evening marked not only by solemnity and tradition, but by pride and celebration, as **Brother Cody Cunningham** stood before the Lodge to exemplify his **proficiency in the Master Mason Degree**.*

With confidence, preparation, and humility, Brother Cunningham demonstrated his understanding of the teachings and symbolism of our Craft—an important step in every Mason's journey from darkness to light. His dedication reflected both his respect for the Fraternity and his desire to walk steadfastly along the path of Masonic enlightenment.

*The Brethren of Pahrump Lodge No. 54 extend their heartfelt **congratulations** to Brother Cunningham on reaching this milestone. Though his professional calling has now taken him to **Northern Nevada**, we hope that he will always find his way back to our Lodge and continue to share in the fellowship and labor that unite us all as Masons.*

May Brother Cunningham's light continue to shine brightly as he carries

Our Newest Fellowcraft

On November 14th, Pahrump Lodge No. 54 came together in unity and purpose to confer the Fellow Craft Degree upon Brother Russell Whitehead. We opened Lodge at 6:00 p.m., and in due form and solemnity, Brother Whitehead was Passed to the Second Degree of Masonry.

The Fellow Craft Degree marks an important milestone in a Mason's journey. It symbolizes the transition from the foundation of the Entered Apprentice to the pursuit of deeper knowledge, moral refinement, and intellectual growth. In this degree, a Mason is encouraged to expand his understanding, elevate his thoughts, and apply the working tools of the Craft to the building of a virtuous life.

Brother Whitehead conducted himself with dignity and attentiveness, displaying the character and commitment expected of a Brother advancing in our ancient fraternity. Though the evening was more intimate, the Brethren present contributed greatly to the warmth, meaning, and solemnity of the degree. Their dedication ensured that the work was performed with respect and fidelity.

As Brother Whitehead now stands as a Fellow Craft, let us continue to support him as he studies, reflects, and prepares for his advancement to the Sublime Degree of Master Mason. May we each be reminded through his progress of our own ongoing obligation to grow in Light, knowledge, and Brotherly Love.

Pahrump Lodge No. 54 – Recent Visitations Strengthening Our Fraternal Bonds

Brethren,

One of the great joys of our Craft is the opportunity to travel, to visit, and to strengthen the ties of Brotherhood—not only within our own Lodge but throughout the wider Masonic family. This past month, several of our members had the privilege of doing just that, representing Pahrump Lodge No. 54 with dignity, curiosity, and genuine fraternal spirit.

Visit to the Nevada Lodge of Research No. 2

On Sunday, November 16th, a few of our Brothers attended the quarterly meeting of the Nevada Lodge of Research No. 2. As many of you know, the Lodge of Research is dedicated to the preservation, exploration, and advancement of Masonic knowledge. Their meetings are always enlightening, and this session was no exception.

It was a particularly busy evening for them. The Most Worshipful Grand Master graced the Lodge with a visit and delivered an inspiring message, reminding us all of the importance of continual learning within the Craft. Following his remarks, the Lodge held its annual elections, selecting leadership entrusted with carrying their scholarly mission forward.

Our Brothers returned not only enriched by Masonic light but also encouraged by the dedication shown by the Brethren of the Lodge of Research. It was a wonderful reminder that learning is truly a lifelong journey—one that our Masonic obligations urge us to pursue with zeal.

Supporting the Youth: Visit to DeMolay

Later that same week, four of our officers and members attended a meeting of the DeMolay chapter. It was a pleasure to observe how these young men conduct their business and how their organization instills leadership, respect, and responsibility—values deeply aligned with our own.

Seeing firsthand how the youth organizations operate was both inspiring and reassuring. These young leaders represent the future of our fraternity and our communities. Their dedication, their decorum, and their enthusiasm are a testament to the positive influence Masonic youth groups continue to have. Our Lodge was proud to be present in support of their efforts.

May our continued outreach, curiosity, and willingness to travel serve as a reminder that Freemasonry is not confined to our own walls. Every visit, every handshake, every shared moment of fellowship strengthens the bonds that unite us as Brothers.

District Deputy Grand Lecturer District 11

A Note from the DDGL - District No. 11

R.W. Gregory F. Curtin

Brethren,

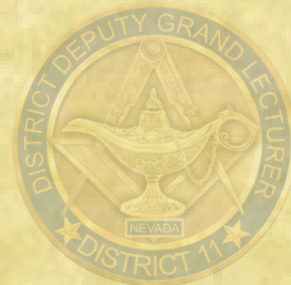

One of the most beautiful lessons in the Entered Apprentice Degree is quiet and simple: improvement begins with small, deliberate steps. The First Degree reminds us to listen, to reflect, and to approach our work with sincerity.

As we continue to “build our Masonic temples within,” let us remember that every Brother—new or seasoned—is a link in our Chain of Union. When we encourage a new EA, support a Fellowcraft, or uplift a Brother going through a difficult time, we lay another stone in the foundation of our Lodge.

May we all strive to stand, once again, in the spirit of that North-East Corner—upright, ready, and committed to the Great Work.

Fraternally,

Gregory F. Curtin

To the Brethren All:

As builders united by the square and bound by the compasses, we continue to labor not only upon the spiritual temple within, but also upon the physical edifice that houses our sacred work. It is with that in mind that I write to share several important undertakings in the quarries of Pahrump Lodge No. 54.

A Fence for Our Sanctuary

In recent times, we have been met with concerns over trespassers and theft upon our Lodge property. In keeping with our charge to preserve and protect that which is entrusted to us, plans are underway to construct a secure fence around our Lodge. This fence shall not only provide physical security but shall also serve as a symbol of the boundary between the profane world and our sacred space. Let us rally together, as Brothers ought to do, to support this endeavor for the safety and dignity of our Lodge.

The Fire Pit Fellowship Project

In the spirit of Brotherly love and conviviality, we are excited to announce the development of a fire pit area on Lodge grounds. This space is envisioned as a gathering place under the canopy of heaven—where sparks of light and friendship may rise with the flames. We aim to have this project completed in time for our Fourth of July Barbecue, and for future gatherings where warmth, stories, and fellowship may be shared in the true spirit of Masonry.

40th Anniversary .999 Fine Silver Coin - Now Available

To commemorate 40 years since our Charter and 25 years in our current Lodge building, we are proud to offer a limited edition .999 fine silver coin, each individually serial numbered and custom-designed to honor this dual milestone. These stunning keepsakes are available for \$150 each, with all proceeds directly supporting the work and future of our Lodge. This is not only a collector's item, but a lasting symbol of our shared legacy. Secure yours while supplies last.

A Mason's December

*When autumn's glow begins to fade,
And silent leaves their rest have made,
The craftsman pauses, tools in hand,
To ponder life, its shifting sand.*

*He thinks upon the work long done,
The brethren lost, the battles won,
And in that quiet, sacred space,
He feels the warmth of Heaven's grace.*

*The pillars stand through passing years,
Through joy and trial, hope and tears,
And every stone the lodge has laid,
Was mortared firm by love conveyed.*

*This month reminds each faithful heart,
That Gratitude itself's an art—
To thank the Great Architect above,
For light, for labor, and for love.*

*So let us meet in friendship's glow,
Where steady hearts and compasses show,
That though the seasons come and wane,
The Craft endures—its truth remains.*

*And when November's twilight falls,
We'll answer still when duty calls—
With faith renewed, our hearts made pure,
In Brotherhood that shall endure.*
