February 2026

From the East

Brethren,

February may be the shortest month of the year, but it is certainly one of the busiest and most meaningful for our Lodge. It is a month rich in history, reflection, and fellowship—and Pahrump Lodge No. 54 has much to look forward to.

This month, we will celebrate **Colonial Night** at our Stated Meeting as we honor the legacy of our revered Brother, **George Washington**. This evening gives us an opportunity to step back in time and reflect on the principles he embodied—leadership, integrity, humility, and unwavering dedication to duty. These are the same virtues we strive to practice within our Lodge and carry into our daily lives.

Later in the month, we will again honor Washington with our “**Night With George Washington**”, a special event that allows us to explore not only the man, but the Mason—his character, his labors, and the example he set for generations of Freemasons to follow. I strongly encourage all Brothers to attend and take part in this unique and educational evening.

February is also a fitting time to reflect on **brotherly love**, as the month is traditionally associated with fellowship and unity. Let us take this opportunity to reach out to Brothers we may not have seen in a while, to strengthen the bonds of our Lodge, and to ensure that no Brother feels forgotten or left behind. A simple phone call, handshake, or invitation to attend can make a lasting difference.

As we move through this busy month, I ask each of you to remain engaged, supportive, and present—whether through attendance, helping with events, or assisting with degree work and education. Our Lodge thrives when we labor together, and February gives us many opportunities to do just that.

Thank you, Brethren, for your continued dedication, your enthusiasm, and your trust. I look forward to seeing you in Lodge as we honor our past, celebrate our present, and continue building a strong future together.

Fraternally,

W.B. William Cookston

Worshipful Master

From the West

Brethren,

February reminds us that while winter still holds the land, the promise of renewal is close at hand. It is a fitting time for reflection—on our labors, our obligations, and the people who make it possible for us to fulfill them.

This month also brings Valentine's Day, a time set aside to recognize love, commitment, and appreciation. While Freemasonry is built upon the principles of Brotherly Love, Relief, and Truth, none of us practices those virtues in isolation. Behind every Mason who answers the call of the Lodge is a partner, spouse, or family member who understands the time, energy, and dedication that our obligations require.

We should be especially grateful for the patience and support shown by our partners—those who encourage us to attend meetings, support our charitable efforts, and often carry extra responsibility at home so that we may serve the Craft. Their quiet sacrifices are not always visible within the Lodge, but they are no less important to our success as Masons. Personally, I couldn't have fulfilled my role as Junior Warden without my wife's help in preparing the meals.

While Valentine's Day itself is not a Masonic holiday, its themes align closely with our teachings. The Brotherly Love we are charged to practice within the Lodge should extend beyond its walls—to our homes, our families, and our relationships. The Square reminds us to act justly, and the Compasses to keep our passions within due bounds; both are lessons that serve us well in marriage and partnership.

As we move through February, let us take time to express genuine appreciation to those who support us in our Masonic journey. A Mason who is grateful at home will be stronger in Lodge, and a Lodge supported by strong families will always stand on a firm foundation.

A firm foundation starts with a well laid cornerstone.

Fraternally,

*Brittan Heller
Senior Warden*

From the South

Brethren,

As the season turns and spring draws near, we are reminded that renewal is not only found in nature, but also within our Lodge. With the coming of spring, fellowship blooms anew, offering us a perfect opportunity to strengthen the bonds that unite us as Brothers.

I encourage each of you to reach out to those Brethren who may not have been with us recently. A simple call, message, or invitation can make all the difference in bringing a Brother back into the fold and reminding him that he is missed and valued. Our Lodge is strongest when every stone is present and properly placed.

Make time to come early and enjoy fellowship before our labors begin, and stay a while after the meeting to catch up, share a laugh, and deepen those fraternal connections. These moments of fellowship are the mortar that holds our Lodge together.

Above all, remember to always lend a hand when you are able — to a Brother in need, to the Lodge in its work, and to our community beyond the doors of the Lodge. By doing so, we continue to build not only a stronger Lodge, but a stronger Craft.

Fraternally,

James McRae J.W.

From the Secretary

Brethren,

As we move into the month of February, we find ourselves at a strong and active point in the Masonic year. The early momentum of January has carried forward, and our Lodge continues to remain busy with meaningful work, fellowship, and education. It is encouraging to see the dedication and involvement of the Brethren as we labor together for the good of Pahrump Lodge No. 54.

February is a month often associated with reflection, commitment, and brotherly connection. These qualities are central to our Craft and are especially important as we continue our degree work, attend stated meetings, and support the various events and visitations taking place this month. Your presence and participation truly make a difference in the strength and vitality of our Lodge.

I would encourage all Brethren to stay informed by reviewing Lodge communications and the calendar, and to reach out if you have questions regarding meetings, dues, records, or Lodge business. If you know of a Brother who has been absent for a time, please take a moment to check in on him — a simple call or conversation can go a long way in strengthening our bonds.

Thank you for your continued support, patience, and dedication to the Craft. It is an honor to serve this Lodge and its members, and I look forward to seeing you in Lodge throughout the month ahead.

R.W. Gregory F. Curtin P.M.

Secretary

Grand Junior Warden

From the Treasurer

Brothers All,

I presented a Year End summary of major spending & income items at our January Stated Meeting. As I said then, OUR Lodge is not in bad financial shape.

We do however still have an upcoming "major building system (HVAC) unit replacement" project that could deplete over 50% of the funds available in our building CD.

Our Lodge now has commitments of over \$3000.00 donation for this project. We have placed on the wall by the restroom a "Fund Raising Thermometer" to keep all of you informed about this effort, hoping that other Brothers will donate if they can specifically to this project (#3063) so we can reduce the hit on the Building Fund come March or April when we would need to schedule the replacement.

We also have also placed a "Thermometer" for Worshipful Master Cookson's plan to participate in Nevada Grand Lodges hope to have all the Constituent Lodges donate to The Goerge Washington Masonic National Memorial. The 2026 Gun Raffle proceeds will not get us to the final amount needed to accomplish this goal. Brothers who wish to help get us over the finish line can specifically make donations for this effort (Masters Donation fund #4081).

Please contact me personally if there are any questions concerning these Fund-raising Items or any other Lodge Finances questions.

Fraternally,

W.B Cameron McRae H.P.M. 2024

From the Chaplain

Greetings, Brethren,

In our journey through the Craft, we are continually reminded that Relief is not merely a principle we recite, but a sacred duty we are called to live—especially toward our distressed and struggling Brothers. It is one of the purest expressions of our Masonic obligations and one of the truest reflections of Brotherly Love in action.

Life brings seasons of challenge to every man. Whether your burdens are visible or unseen, whether they are spiritual, emotional, personal, professional, or familial, know that you are never required to carry them alone. Our Lodge is not simply a place of labor—it is a refuge of fellowship, support, compassion, and understanding.

As your Lodge Chaplain, I stand ready to serve you. I offer an attentive ear to listen without judgment, words of encouragement to strengthen your heart, and prayerful support to lift your spirit. Sometimes the greatest relief we can offer one another is simply presence—knowing that a Brother is willing to walk beside you through difficult moments.

It is my sincere calling to help fulfill our sacred obligation to one another and to ensure that no Brother of Pahrump Lodge No. 54 ever feels forgotten, isolated, or alone in his struggles.

If you are facing hardship, uncertainty, or simply need someone to talk to, please do not hesitate to reach out to me at 513-240-7827 by call or text. All communication will be held in the strictest confidence, with respect, discretion, and care.

May we always strive to be a Lodge where relief is not only spoken of—but truly lived.

Strengthening the Bonds of Brotherhood – Pahrump Lodge No. 54 Visits Indian Springs Lodge No. 48

On a recent evening of fraternal labor and fellowship, Pahrump Lodge No. 54 was proud to conduct an official visitation to Indian Springs Lodge No. 48, demonstrating the enduring strength of Masonic Brotherhood across our Nevada Lodges.

Nine members from Pahrump Lodge No. 54 were in attendance, joining a strong gathering of Brethren that also included seven members from Sandy Valley Lodge No. 57, along with several visiting Brothers from Acacia Lodge. The Lodge was well attended, and the atmosphere throughout the evening was one of genuine fellowship, mutual respect, and shared purpose.

The meeting itself was uplifting and well conducted, reflecting the harmony that naturally arises when Brethren come together in the spirit of Brotherly Love. During the evening, **R.W. Greg Curtin** was invited to present an educational presentation. His remarks were delivered with clarity, depth, and insight, and were exceptionally well received by all present. The presentation was so impactful that the Brethren of Acacia Lodge extended an invitation for R.W. Curtin to present the same lecture at their Lodge—an honor that speaks highly of both the quality of the education and the esteem in which he is held.

Following the close of Lodge, the Brethren were treated to a **fantastic meal prepared by Indian Springs Lodge**, with an abundance of excellent food and warm hospitality. The evening concluded with extended fellowship, conversation, and laughter—further strengthening the bonds between our Lodges and reminding us that Masonry flourishes most fully when Brethren gather together in unity.

Pahrump Lodge No. 54 extends its sincere thanks to Indian Springs Lodge No. 48 for their gracious hospitality, as well as to the visiting Brethren from Sandy Valley and Acacia Lodges for making the evening truly memorable. This visitation stands as a shining example of the harmony, friendship, and shared labor that define our Craft.

We look forward to many more opportunities to labor together and to continue building strong fraternal ties throughout our Masonic family.

So mote it be.

Grand Master Official Visit (GMOV)

We were honored to host a joint Grand Master Official Visit with **Pahrump Lodge No. 54** and **Sandy Valley Lodge No. 57**, welcoming Most Worshipful **David E. Bechtel**, along with members of the Grand Lodge officers and visiting Brethren.

The day began with a meaningful exchange of gifts, followed by a wonderful meal and an afternoon filled with fellowship and brotherly conversation. Brethren from Pahrump 54 and Sandy Valley 57 came together in true Masonic harmony, making this joint GMOV a memorable and enjoyable occasion.

It was a day marked by laughter, friendship, and the strengthening of the bonds that unite our Lodges and our Craft.

A Fraternal Visitation to Mount Moriah Lodge No. 39

We were honored to host a joint Grand Master Official Visit with **Pahrump** On **January 21, 2026**, the Brethren of our Lodge had the pleasure of visiting **Mount Moriah Lodge No. 39** for a called communication held for the purpose of conferring the **Fellow Craft Degree**. Visitations such as these provide valuable opportunities to strengthen fraternal bonds and share in the work of the Craft.

Upon our arrival, we were warmly received by the officers and members of Mount Moriah Lodge and enjoyed a wonderful meal together. The fellowship shared prior to the meeting set the tone for the evening and reflected the Lodge's genuine spirit of Masonic hospitality.

After the Lodge was duly opened, it was called down to the **Entered Apprentice Degree** so that a Brother could present his **Entered Apprentice proficiency** in preparation to be Passed to the Degree of Fellow Craft. The proficiency was delivered with confidence and care, demonstrating the Brother's readiness to advance and the Lodge's commitment to proper instruction.

The Lodge was then called back up to the **Fellow Craft Degree**, where we heard another Brother deliver his **Fellow Craft proficiency**, further exemplifying the high standard of proficiency and education maintained by Mount Moriah Lodge.

Following the proficiencies, we were privileged to witness an outstanding conferral of the **Fellow Craft Degree**. The degree work was exceptionally well performed—precise, meaningful, and rich in symbolism—serving as an inspiring reminder of the importance of education, self-improvement, and continued advancement in our Masonic journey.

We extend our sincere thanks to the Worshipful Master, officers, and Brethren of Mount Moriah Lodge No. 39 for their warm welcome and gracious hospitality. It was a memorable evening of excellent work and fellowship, and we look forward to many more opportunities to strengthen the Chain of Union through future visitations.

Advancement in the Craft – Brother Brian Martin

On the evening of **January 2nd**, the Brethren of our Lodge were honored to witness an important milestone in the Masonic journey of **Brother Brian Martin**.

The Lodge was duly opened in form, and Brother Brian was called upon to demonstrate his **proficiency in the Entered Apprentice Degree**. With confidence and sincerity, he presented his work in a commendable manner, clearly reflecting his dedication to the principles of the Craft and his thoughtful attention to the lessons entrusted to him as an Entered Apprentice. His proficiency was well received by the Lodge and met with its approval.

Following the conclusion of this important work, the Brethren adjourned for **dinner and fellowship**, enjoying a time of refreshment and Brotherly Love—an essential part of our shared labors that strengthens the bonds of our Fraternity.

After returning from refreshment, the Lodge resumed labor, and Brother Brian was **passed to the Degree of Fellowcraft**. This advancement marks a significant step forward in his Masonic progression, symbolizing a deeper commitment to education, industry, and the continued pursuit of knowledge. The Fellowcraft Degree reminds us of the value of honest labor and intellectual growth, both within the Lodge and in our daily lives.

The Brethren extend their **heartfelt congratulations** to Brother Brian Martin on his successful proficiency and well-earned advancement. May he continue his journey in Masonry with diligence, humility, and enthusiasm, and may the lessons of the Fellowcraft Degree guide him as he advances further along the path of Masonic light.

We look forward to supporting Brother Brian in his continued progress and encourage all Brethren to join us in congratulating him on this meaningful achievement.

To the Brethren All:

As builders united by the square and bound by the compasses, we continue to labor not only upon the spiritual temple within, but also upon the physical edifice that houses our sacred work. It is with that in mind that I write to share several important undertakings in the quarries of Pahrump Lodge No. 54.

A Fence for Our Sanctuary

In recent times, we have been met with concerns over trespassers and theft upon our Lodge property. In keeping with our charge to preserve and protect that which is entrusted to us, plans are underway to construct a secure fence around our Lodge. This fence shall not only provide physical security but shall also serve as a symbol of the boundary between the profane world and our sacred space. Let us rally together, as Brothers ought to do, to support this endeavor for the safety and dignity of our Lodge.

The Fire Pit Fellowship Project

In the spirit of Brotherly love and conviviality, we are excited to announce the development of a fire pit area on Lodge grounds. This space is envisioned as a gathering place under the canopy of heaven—where sparks of light and friendship may rise with the flames. We aim to have this project completed in time for our Fourth of July Barbecue, and for future gatherings where warmth, stories, and fellowship may be shared in the true spirit of Masonry.

40th Anniversary .999 Fine Silver Coin - Now Available

To commemorate 40 years since our Charter and 25 years in our current Lodge building, we are proud to offer a limited edition .999 fine silver coin, each individually serial numbered and custom-designed to honor this dual milestone. These stunning keepsakes are available for \$150 each, with all proceeds directly supporting the work and future of our Lodge. This is not only a collector's item, but a lasting symbol of our shared legacy. Secure yours while supplies last.

February: Cemented by Brotherly Love

*February is often remembered as the month of reflection on the heart—of affection, loyalty, and devotion. Within our Craft, it is an especially fitting time to contemplate the sacred tie that binds us together: **Brotherly Love**. Without it, no Lodge can truly prosper, and no Masonic labor can long endure.*

*Freemasonry teaches us that while stones may be shaped by skill and labor, it is the **cement of Brotherly Love and Affection** that unites them into a lasting structure. Education in Masonry, therefore, is not merely the acquisition of knowledge, but the cultivation of understanding, patience, and genuine regard for one another. A Lodge rich in learning but poor in harmony stands upon an uncertain foundation.*

February invites us to examine how we practice Brotherly Love in our daily conduct—within the Lodge and beyond its walls. Do we listen with charity? Do we instruct with kindness? Do we correct with humility and receive counsel with gratitude? These are among the most important lessons Masonry offers, yet they are learned not from books alone, but through lived example.

Masonic education flourishes in an atmosphere where Brethren feel supported and valued. When a Brother knows he may ask questions without judgment, seek guidance without hesitation, and labor without fear of standing alone, the Lodge becomes a true school of virtue. It is in such an environment that light is multiplied and wisdom is shared freely.

As we continue our work this year, let February serve as a reminder that knowledge gains its greatest power when tempered by compassion. Let us strengthen the bonds between us, encourage one another in our Masonic growth, and ensure that every stone laid within our Lodge is firmly held in place by mutual respect and affection.

May our labors this month be guided by Brotherly Love, sustained by Relief, and crowned with Truth.

*Fraternally submitted,
Athanasius Illumini,*

A Mason's February

February walks with measured pace,
Between the cold and coming
spring;

A season where the Mason learns
What patient, faithful labor brings.

The quarry shows its truer face
When winter's trials still remain;
For strength is proven not in ease,
But standing fast through wind and
strain.

The Square reminds us daily still
That love must guide the rule we
use;
Not passion's edge, nor pride's
sharp turn,
But justice rightly taught to choose.

The Level teaches Brotherhood—
No rank, nor title stands apart;
For every Mason meets his Brother
Upon the level of the heart.

The Plumb demands we walk upright,
Though progress seems both slow and
small;

It marks each step with quiet truth,
Unseen by many, known by all.

February's work is inward wrought,
No outward glory crowns the day;
Yet stones well set in winter's calm
Will never shift nor drift away.

So labor on with steadfast care,
Let patience shape both mind and
hand;
For love and truth, when joined as one,
Prepare the Craft as spring is planned.
