From the East

Brethren,

I hope this communication finds all healthy.

This month we celebrated W.B. George Washington's birthday with a colonial themed Master Mason Degree which was well attended by many brothers from Pahrump as well as the Las Vegas area. We hope that you all had a good time and for those who helped raise a brother to the sublime Degree of a Master Mason I am thankful for the help.

Let's not forget the excellent food that we serve on the 3rd Saturday of each month during our Lodge Breakfast. The last 3 months seem to have been quite the big hit with locals as well as the brethren.

Also this month we are going to make a visit to one of the nearby lodges to watch how the craft at work.

On March 9, 2023 we will be having our Official Visit from the Most Worshipful Grand Master of Mason's of Nevada.

Come on down to the stated meeting and get all the info as well as enjoying a hot meal with your brother's.

Yours in the faith.

From the West

Brethren,

Welcome to March. The year is already zipping by. This month we will welcome our Grand Master to our Stated Meeting. This will be a fun event and a great chance to hear the exciting things coming up in our craft.

In order to keep things exciting for everyone in Masonry, we each have a part. As Masons, we must be on guard for the future of our institution. We are each a Tyler for the gates of our temple and must be mindful against Cowans and eavesdroppers. A wise Mason once told me about a tradition in his lodge, each member promised to each other that they will never initiate a man who is not a friend first. This does not mean that they will only initiate common friends to all, but rather that they make each new potential mason a friend before they can become a candidate for the degrees.

The journey becomes much more exciting for the candidate when they can share it with brothers who are also friends. We will also be instilling in them that love of the fraternity so they will keep returning. There are many who were rushed through the degrees or even affiliated without being friends first. We do not see many of these brothers around currently. I personally waited until I got to know and befriend many of our lodge members before I submitted my own petition for affiliation.

Before signing a petition, ask yourself if you know this person well enough yet. They will be our brother for the rest of their lives, there is always time to tell someone we need to know them better. A good mason or candidate should know that all good things come in due time when we are set to work.

On the Level,
W.B. Jeremy Turek
Senior Warden

Brethren,

Would just like to report that we are doing fine with our funds thanks to prompt dues payments to the secretary and other donations. Books are reconciled to the penny, and I can prove it.

From the South

Brethren,

Brethren,

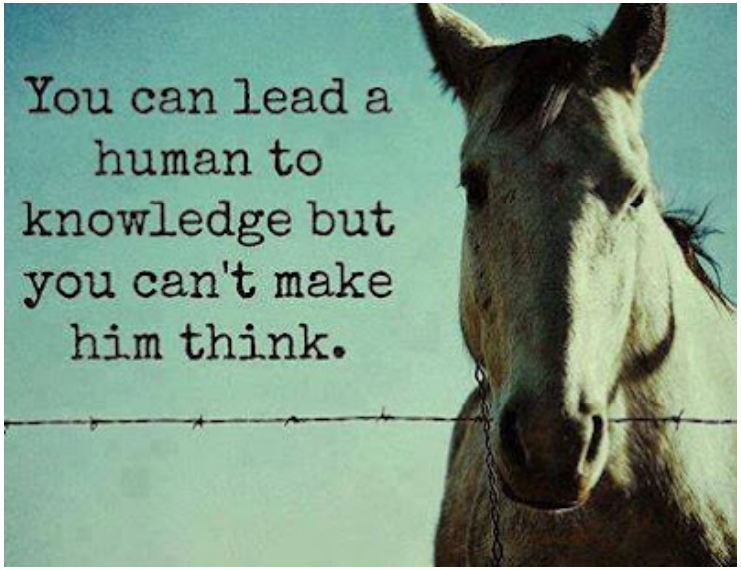

I am happy to say that our meetings and degrees are extremely enjoyable and educational.

As you know, on March 9th we are honored to receive the official visitation of our Grand Master, Most Worshipful Kevin P. McCans. Let's make this a memorable event!

I would take this opportunity to express my gratitude for all the help received during the preparation of our dinners and refreshments.

Thank you.
