PAHRUMP LODGE NO. 54 F. & A.M. OF NEVADA
ON THE LEVEL

BROTHERHOOD ◆ SERVICE ◆ CHARITY ◆ TRUTH

From the East

Brethren,

November is going to be a very busy month for Pahrump Lodge No. 54, and I hope each of you will make an effort to be a part of it.

This month brings us together not only for the important business of our own Lodge, but also for the Annual Communication of the Grand Lodge of Nevada. Grand Lodge gives us an opportunity to look beyond the walls of our own Lodge and remember that we are part of a much larger Masonic family. The decisions made there help guide Masonry throughout our state, and I look forward to representing Pahrump Lodge No. 54 alongside the Brothers who will be attending.

Grand Lodge also falls during the same week as our November Stated Meeting, so it will certainly be a full week of Masonry.

At our Stated Meeting, we have several important items of business before us. We will be voting on the proposed change to our Lodge bylaws, which has previously been presented to the membership. I encourage our Brothers to attend and take part in that decision. The strength of our Lodge comes from the participation of its members, especially when we are making decisions that will help guide the Lodge into the future.

We will also be balloting on a candidate for the Degrees of Freemasonry. Every ballot we cast is an important responsibility. When we consider a man for membership, we are considering someone who may someday sit beside us as a Brother and help carry forward the work of Pahrump Lodge No. 54.

We also have several Years of Service Awards to present this month, provided those Brothers are able to join us. I always enjoy recognizing the men who have remained faithful to the Craft over the years. Their service reminds us that Masonry is not measured simply by the number of meetings we attend, but by a lifetime of living the principles we were taught at the altar.

As always, we will have dinner before our Stated Meeting. Our families are welcome, and I hope to see as many Brothers and their families around the dinner table as possible. Some of the best moments we have as a Lodge do not happen while the gavel is sounding, but around the table in friendship and fellowship.

As we move toward the end of another Masonic year, there is still work upon the trestleboard. Let us finish the year the same way we began it—with Brotherly Love, Relief, and Truth before us, working together in peace and harmony for the good of our Lodge and the Craft.

I am thankful for every Brother who has contributed his time, effort, and support to Pahrump Lodge No. 54 this year. I look forward to seeing you in Lodge this month and sharing in what promises to be a very busy and meaningful November.

Fraternally,

W.B. William A. Cookston Jr.
Worshipful Master
Pahrump Lodge No. 54

From the South

Brethren,

As we enter November, a month traditionally associated with gratitude and reflection, I find myself thinking about something we often take for granted: the Brotherhood we share.

We gather in Lodge, exchange handshakes, share meals, conduct our business, and eventually return to our everyday lives. But how often do we stop to appreciate the men sitting beside us?

One day, a familiar chair in our Lodge will sit empty. A voice we have grown accustomed to hearing will fall silent. And we may find ourselves wishing we had taken another moment to listen, to laugh, or simply to ask a Brother how he was doing.

As Junior Warden, I am reminded that my responsibility extends beyond the duties of my station. It includes helping foster an environment where every Brother feels welcomed, respected, and valued.

Masonry teaches us Brotherly Love, Relief, and Truth. Yet these principles mean little unless we put them into practice.

This November, I challenge each of us to reach out to a Brother we haven't seen in a while, thank someone who has helped us along our Masonic journey, and remember that the greatest treasure within our Lodge is not found in its furniture, jewels, or ritual, but in the men who fill its seats.

Let us never wait for an empty chair to appreciate the Brother who once occupied it.

Bro. Shane Hodge
Interim Junior Warden

From the Secretary

Brethren,

As we approach the end of another Masonic year, it is time to begin thinking about our 2027 Lodge dues. Annual dues for Pahrump Masonic Lodge No. 54 are $121.00 for 2027.

We have tried to make paying your dues as convenient as possible, and Brothers now have several payment options available.

Paying Online Through Our Website

You can pay your dues by visiting our Lodge website at www.pahrumpmasons54.org.

From the Brothers pull-down menu, select Dues and Donations. From there, click the option to Pay Dues with PayPal.

Please note that payments made through PayPal are $126.00. This includes your $121.00 annual dues plus a $5.00 processing fee for using this payment method.

You do not need a PayPal account to use this option. Once you enter the PayPal payment process, you can choose to pay with a credit or debit card instead.

Paying With Zelle

Brothers may also pay their Lodge dues using Zelle, with no additional Lodge processing fee.

Most banks and credit unions now provide Zelle directly through their mobile banking apps or online banking. To make your payment:

1. Log in to your bank or credit union's mobile app or online banking.
2. Find Zelle or Send Money with Zelle.
3. Select the option to send money.
4. Enter sec@pahrumpmasons54.org as the recipient.
5. Enter $121.00 for your 2027 Lodge dues.
6. Verify the recipient information before sending and include your name and "2027 Lodge Dues" in the memo or message field, if available.

From the Secretary

Continued from previous page

If you have not used Zelle before, check with your bank or credit union to see if they offer this service. Most participating financial institutions have made the process very simple.

Paying by Check or in Person

Of course, Brothers may still pay their dues by check or in person at Lodge. The amount for these payment methods is $121.00.

Important Note Regarding Grand Lodge Per Capita

If Grand Lodge approves an increase in the per capita assessment at its November Annual Communication, the Lodge will need to bill each Brother separately for the additional amount.

A Final Word

Paying our dues is more than simply taking care of an annual obligation. Each Brother's support helps us maintain our Lodge, meet our responsibilities, and continue the work of Masonry in our community.

Just as every stone has its place in the building, each Brother's contribution helps keep Pahrump Lodge No. 54 strong. Our Lodge depends upon all of us doing our part, whether through our financial support, participation in Lodge activities, or simply being there for one another.

As we move toward the close of another Masonic year, I encourage every Brother to remain involved and support the work of our Lodge. We have much to be thankful for, and with the continued dedication of our membership, we can look forward to another successful year.

If you have any questions regarding your dues or need assistance making a payment, please do not hesitate to contact me.

I look forward to seeing everyone at our November 12th Stated Meeting and enjoying another evening of fellowship with the Brethren.

Fraternally,
W∴B∴ Brian Boles, P.M.
Secretary, Pro Tem

From the Treasurer

Brethren,

As we move into the final months of the year, I would like to thank everyone who continues to support Pahrump Lodge No. 54 through their dues, donations, and participation.

Like any Lodge, we have regular expenses necessary for the general operation and upkeep of our building. Utilities, insurance, maintenance, repairs, supplies, and Brethren,

As we move toward the close of another Masonic year, I would like to thank everyone who continues to support Pahrump Lodge No. 54, not only through your dues and donations, but through your time, attendance, and willingness to help care for our Lodge.

One of the larger expenses we are continuing to work toward is the replacement of the air-conditioning unit on the west side of the Lodge room. Unfortunately, the existing unit is beyond repair and must be replaced. We have received an estimate of $10,500 for a complete replacement, and this remains one of our important financial goals.

This remains an important goal for the Lodge. Our building is more than simply a meeting place—it is where we gather as Brothers, confer our Degrees, welcome our families and guests, and carry on the work of Freemasonry in our community. Maintaining it is a responsibility we all share.

Any Brother who would like to contribute specifically toward the air-conditioning repair may designate his donation for that purpose. Every contribution, large or small, helps us move closer to completing the repair without placing unnecessary strain on the Lodge's regular operating funds.

Just as the strength of a Lodge is built through the combined efforts of its members, so too are the needs of our Lodge met when we work together in harmony.

Thank you, Brethren, for your continued support of Pahrump Lodge No. 54.

Fraternally,

W∴B∴ Cameron McRae, H.P.M.

From the Chaplain

Dear Brethren,
As we gather in the spirit of unity and brotherly love, may this festive season remind us of the true light of Freemasonry: peace, charity, harmony, and service to humanity.

Just as seasonal lights pierce the winter darkness, let us reflect on our continuous journey toward truth and wisdom. May this time of year inspire us to practice charity, extending hands of support to those in need and strengthening the bonds of our Lodge and brotherhood.

Wishing you and your loved ones a joyful season and a prosperous New Year.

Fraternally,
Brother Kent Storer
Chaplain

A Visit Among Brothers - King Solomon Lodge No 58

In October, five Brothers from Pahrump Lodge No. 54 had the pleasure of traveling together for a visitation to King Solomon Lodge No. 58. This marked our first visitation of the new Silver State Award year, and we could not have asked for a better way to begin.

Representing Pahrump Lodge No. 54 were W.M. Bill Cookston, Bro. Kent Storer, Bro. Brad Swanson, Bro. Jon Watt, and Bro. Tarek Schoner. For four of our five Brothers, this was their first visit to King Solomon Lodge No. 58, making the evening an especially enjoyable Masonic experience.

One of the great privileges of Freemasonry is that our Brotherhood extends far beyond the walls of our own Lodge. When we travel, we are reminded that although our Lodge numbers may be different, we meet upon the same Level and are united by the same principles of Brotherly Love, Relief, and Truth.

Our Brothers at King Solomon Lodge No. 58 welcomed us warmly and made us feel right at home. As always, the fellowship was outstanding, and the dinner was nothing short of spectacular. Good food, good conversation, and time spent among Brothers made for a wonderful evening.

Visitation is about more than earning credit toward an award. It gives us an opportunity to strengthen the ties between Lodges, renew old friendships, make new ones, and see how our Brothers practice the Craft in their own Lodge. Every Lodge we visit has something to share, and we invariably return home having gained something from the experience.

This was only our first visitation of the new Silver State Award year, and we hope many more Brothers will join us as we continue our travels. If you have never traveled with your Brothers to another Lodge, consider joining us on the next trip. There is something special about entering another Lodge as a visitor and departing as a Brother and friend.

Our sincere thanks go to the Worshipful Master, officers, and Brothers of King Solomon Lodge No. 58 for their hospitality and for a memorable evening of Masonic fellowship.

Travel well, Brothers, and may we continue to strengthen the bonds of our Fraternity—one Lodge, one visitation, and one Brother at a time.

IMPORTANT NOTICE TO THE BRETHREN
Proposed Bylaws Change — Vote November 12, 2026

Brethren,

*At our November Stated Communication, **Pahrump Masonic Lodge No. 54 will vote on a proposed amendment to our Lodge Bylaws.** This is an important matter affecting the future administration and financial responsibilities of our Lodge, and every Brother who is able is encouraged to attend and take part in the decision.*

What Is Being Changed?

*The proposed amendment concerns the provisions in our Bylaws dealing with **Life Membership***

*The primary purpose of the change is to remove the **installment or payment-plan option for purchasing a Life Membership**. Under the existing language, a Brother may make payments toward a Life Membership over a period of time. Experience has shown that this arrangement can create administrative and accounting difficulties for the Lodge, particularly when a payment plan is started but not completed.*

The proposed change will eliminate that payment-plan provision and provide a clearer and more straightforward method for handling Life Memberships.

Life Membership Is Not Being Eliminated

*It is important that the Brethren understand that **this proposed amendment does not eliminate the ability to purchase a Life Membership.***

Life Membership will remain available in accordance with the applicable provisions of our Bylaws and the laws and regulations of the Grand Lodge of Nevada. The proposed change is intended to simplify how a Life Membership is purchased and administered by the Lodge.

Why Make the Change?

Our Bylaws should provide clear guidance not only for the Lodge today, but also for the officers and Brethren who will carry on the work in the years ahead.

IMPORTANT NOTICE TO THE BRETHREN
Proposed Bylaws Change — Vote November 12, 2026

continued from previous page

Just as the operative Mason uses his working tools to keep his work true and square, we should periodically examine the rules by which our Lodge operates and make appropriate corrections when experience shows that a provision no longer serves the Craft well.

This amendment is intended to make our Life Membership provisions ***clearer, easier to administer, and more financially responsible for the Lodge.***

Your Voice Matters

A Lodge is strongest when its Brethren take an active part in its government. Changes to our Bylaws should never be treated as merely an administrative matter. They belong to the membership, and the members should have the opportunity to hear the question, consider it carefully, and cast their vote.

*We therefore ask all members of **Pahrump Masonic Lodge No. 54** who are able to attend our November Stated Communication to be present.*

Thursday, November 12, 2026
Dinner — 6:00 P.M.
Stated Communication — 7:00 P.M.

Come enjoy dinner and fellowship with your Brothers, then join us in Lodge as we conduct the business of the Craft.

May we approach this question as Masons should — with Brotherly Love, thoughtful consideration, and with the best interests of Pahrump Lodge No. 54 and its future always before us.

Your Lodge. Your Bylaws. Your Vote.

Proposed Life Membership Changes

Resolution 2 - 2026 | Voluntary Prepaid Life Memberships

PROPOSED • NOT YET ADOPTED

Brethren, this proposal comes before the **162nd Annual Communication on November 9 and 10, 2026.** The current Life Membership formula remains in place unless the proposal is adopted.

What would change?

Under the current provisions, a Brother in good standing may purchase a voluntary prepaid Life Membership for **21 times his Lodge's annual dues.** Resolution 2 would amend Section 6.095 of the Nevada Masonic Code to base the purchase price on his **age at the time of application.**

Current vs. proposed purchase price

Illustrations using Pahrump Lodge No. 54's $121 annual dues for 2027.

AGE AT APPLICATION	CURRENT 21 × dues	PROPOSED MULTIPLIER	PROPOSED COST AT $121
18 through 40	$2,541	32 × annual dues	**$3,872**
41 through 50	$2,541	25 × annual dues	**$3,025**
51 through 60	$2,541	20 × annual dues	**$2,420**
61 through 70	$2,541	15 × annual dues	**$1,815**
71 and older	$2,541	10 × annual dues	**$1,210**

At the same dues level, the proposal would raise the purchase price for members ages 18 through 50 and lower it for members ages 51 and older. **These are examples, not adopted prices;** actual costs depend on the annual dues applicable when purchasing a membership.

Why the proposal, and what else changes?

The resolution cites sustainability and fairness to Lodges and members. It also applies the age-based formula to any additional payment required for a Life Member's affiliation or restoration, using the current dues of the Lodge involved.

Brethren are encouraged to review the full resolution before Grand Lodge.

Understanding Your 2027 Dues

The June vote and a separate proposal before Grand Lodge

APPROVED FOR 2027

$121

Brethren, at our June Stated Communication, the Lodge approved a change setting **2027 annual dues at $121.** The breakdown below shows how that amount is allocated.

A proposed change at Grand Lodge

Resolution 1 - 2026 proposes raising the Grand Lodge of Nevada per-capita assessment from **$35 to $55** for each Master Mason on a Lodge's rolls at its annual return. This would increase the Lodge's annual assessment by **$20 per member.**

The proposal will be considered at the **162nd Annual Communication, November 9 and 10, 2026.** It has not yet been adopted. The resolution cites declining membership and inflation, noting that per capita was last increased in 2019.

Where your dues go

ANNUAL DUES COMPONENT	CURRENT 2027 approved	IF ADOPTED Illustration only
Pahrump Lodge No. 54 Retained for Lodge purposes	**$85**	**$85**
Grand Lodge of Nevada Per-capita assessment	**$35**	**$55**
George Washington Masonic National Memorial contribution	**$1**	**$1**
TOTAL	**$121**	**$141***

***An illustration, not a newly approved dues amount.** The $141 total assumes the Lodge portion remains $85 and the Memorial contribution remains $1. Any effect on members' dues depends on the Lodge's bylaws, including whether they automatically pass through Grand Lodge increases, and any required Lodge action.

Brethren are encouraged to review the resolution and remain informed.

162nd Annual Communication of the Grand Lodge of Nevada

Brethren,

*As we return to our Masonic labors this fall, it is also time to begin looking ahead to the **162nd Annual Communication of the Grand Lodge of Nevada**, being held this November in Las Vegas.*

*This year's Annual Communication will be held at the **Orleans Hotel & Casino**. Fellowship activities begin on **Saturday, November 7, 2026**, with the formal Grand Lodge festivities beginning Sunday evening, November 8. The Annual Communication will continue through Tuesday, November 10, concluding with the installation of the new Grand Master and his Grand Lodge officers.*

Grand Lodge is an important part of the work of Masonry in Nevada. It is where representatives of our Lodges come together in fellowship, consider the business and future of our Craft, and help set the direction of Nevada Masonry for the coming year. It is also an excellent opportunity to renew old friendships and meet Brothers from Lodges throughout our jurisdiction.

*Brethren who are interested in attending should begin making their plans now. **Registration for Nevada Masons must be postmarked no later than October 9, 2026. Grand Lodge has advised that late and on-site registrations will not be accepted.***

I encourage the Brethren of Pahrump Lodge No. 54 who are able to attend to take advantage of the opportunity. Our Lodge is but one stone in the larger Masonic edifice of Nevada, and Grand Lodge gives us an opportunity to see how the labors of individual Lodges come together for the good of the Craft throughout our state.

THE TWENTY-FOUR-INCH GAUGE
A Measure of More Than Time

Last month, we considered the Common Gavel and its lesson of removing the rough and superfluous parts of our character. But before a craftsman can properly shape his work, he must first learn to measure it. This brings us to another of the first working tools placed before a Mason—the Twenty-Four-Inch Gauge.

To the operative Mason, the gauge was a simple instrument used to measure and lay out his work. To us as Speculative Masons, however, it becomes something far more valuable: a reminder to measure how we use our time.

Each of us is given the same twenty-four hours in a day. No Brother receives more because of his station, wealth, age, or experience. Once an hour has passed, it cannot be placed back upon the trestleboard and used again. The question, then, is not how much time we possess, but what we build with the time we have been given.

Masonry teaches us that our time must have balance. There must be time for our obligations to God and our fellow man, time for our usual vocations, and time for the refreshment and rest necessary to sustain us. The lesson is not necessarily that every day can be divided perfectly into equal portions. Life rarely works so neatly. Rather, the gauge reminds us to examine our priorities and ask whether the way we spend our time reflects the principles we profess.

This lesson becomes especially meaningful as the year draws toward its close. Our calendars become crowded with work, family obligations, Lodge activities, holidays, and countless other demands. It becomes very easy to say, "I simply don't have the time."

Perhaps the Twenty-Four-Inch Gauge asks us to consider that statement a little differently.

Do we make time for our families? Do we make time for a Brother who may need our friendship or assistance? Do we make time for our Lodge—not simply by attending meetings, but by contributing to its work and supporting our Brethren? Do we reserve time for reflection, prayer, learning, and the continued improvement of ourselves?

And perhaps most importantly, do we sometimes give too much of our time to things that have very little value?

Just as the Common Gavel teaches us to remove what does not belong, the Twenty-Four-Inch Gauge teaches us to properly measure what remains.

A Lodge is built in much the same manner. Its strength comes from Brothers who are willing to give a portion of their time to the Craft and to one another. An evening spent supporting a degree, sharing a meal with a Brother, visiting another Lodge, helping with a Lodge project, or simply sitting beside a Brother who needs fellowship may seem like a small investment of time. Yet those individual hours, joined together, are what build a strong and lasting fraternity.

The Twenty-Four-Inch Gauge therefore asks each of us a simple question:

If our time is the material from which our lives are built, are we using it to construct something worthy?

We cannot add another inch to the gauge, nor another hour to the day. We can only choose how carefully we measure and use those we have.

May we therefore labor wisely, give generously of our time where it matters most, and remember that the greatest structures we build as Masons are not made of stone—they are built within ourselves and in the lives of those around us.

To the Brethren All:

As builders united by the square and bound by the compasses, we continue to labor not only upon the spiritual temple within, but also upon the physical edifice that houses our sacred work. It is with that in mind that I write to share several important undertakings in the quarries of Pahrump Lodge No. 54.

A Fence for Our Sanctuary
In recent times, we have been met with concerns over trespassers and theft upon our Lodge property. In keeping with our charge to preserve and protect that which is entrusted to us, plans are underway to construct a secure fence around our Lodge. This fence shall not only provide physical security but shall also serve as a symbol of the boundary between the profane world and our sacred space. Let us rally together, as Brothers ought to do, to support this endeavor for the safety and dignity of our Lodge.

The Fire Pit Fellowship Project
In the spirit of Brotherly love and conviviality, we are excited to announce the development of a fire pit area on Lodge grounds. This space is envisioned as a gathering place under the canopy of heaven—where sparks of light and friendship may rise with the flames. We aim to have this project completed in time for our Fourth of July Barbecue, and for future gatherings where warmth, stories, and fellowship may be shared in the true spirit of Masonry.

40th Anniversary .999 Fine Silver Coin – Now Available

40 YEAR AND 25 YEAR COIN

Brethren,
We are coming up on two milestones for the lodge.

- 40 year anniversary as a Lodge.
- 25 year anniversary of our current building

We are having a anniversary coin being minted for this occasion. It will be a special .999 silver 1 ounce coin minted for this special occasion. We will be selling the special anniversary edition coins and using the money for the building fund.

Their will only be 100 coins minted. We are taking reservations for these coins already. If you would like to buy a coin and would like a particular number between 11 and 100, send in a request and we will reserve your coin if it is still available. If you don't care about the number, then email us and tell us to give you a random number.

The first 10 coins will have a special raffle. They will still cost $100 dollars, but you will have to buy a $10 raffle ticket to win the option to buy one of the first 10 coins. They will draw a number in lodge and the order they are drawn will give you the option to buy the coin at that $100 dollar price.

As always, email us and ask any question you may have.

Most Worshipful David E. Bechtel

May your year in the East be filled with Light, harmony, and continued success in the service of our noble Fraternity. As you preside over the Craft in Nevada, may your labors be guided by wisdom, strengthened by resolve, and inspired by Brotherly Love.

Under your leadership, may our ancient principles be preserved, our Lodges united in purpose, and our Brethren encouraged to labor with renewed zeal for the good of the Craft and our communities. We extend our best wishes for a prosperous and fulfilling term and pledge our support as you guide the Craft with fidelity and devotion to the timeless ideals of Freemasonry.
